DESCRIPTION

The Beneteau GT 36 maintains its characteristic sporty profile, with sharp lines and a slightly inverted bow that favors navigation at high speeds. Its retractable hardtop, a hallmark of this range, allows natural light and sea breezes to be enjoyed, transforming the cabin into an open and welcoming space. The stainless steel finishes and large side windows reinforce its modern aesthetics and allow an unrivaled panoramic view.

The design of the rear cockpit has been optimized for outdoor enjoyment, with a spacious convertible sundeck where up to six people can relax. The hydraulic bathing platform facilitates access to the water, ideal for those looking to combine the pleasure of sailing with water activities.

The interior of the GT 36 surprises with its spaciousness and comfort, with light wood finishes and neutral tones that create a warm and welcoming atmosphere. The living room, well lit thanks to the large windows, is transformed into a versatile space ideal for both relaxation and social gatherings.

The 2024 GT 36 is equipped with twin Suzuki DF engines of 350 hp each, providing agile navigation and excellent performance in various sea conditions. Its deep V hull, optimized by Air Step® technology, guarantees better efficiency, greater stability and faster acceleration, even in moderate wave conditions.
