DESCRIPTION

At first glance, the Dufour 365 conveys elegance and balanced proportions. Its modern hull, with a slender bow and generous beam, guarantees good performance upwind and stability for coastal sailing or longer voyages. The spacious and ergonomic cockpit facilitates maneuvering both single-handed and with a crew. The centered steering wheel offers precise control, while the layout of the winches and ropes is designed to keep everything within easy reach.

Inside, the French shipyard has made the most of the space. With two- or three-cabin versions, the 365 offers a bright saloon thanks to its hatches and side ports. The central folding table turns the space into a perfect meeting point for life on board. The woodwork in warm tones reinforces the feeling of quality and comfort. The L-shaped galley is equipped with an oven, stove, and refrigerator, ideal for long stays.

The Dufour 365 is known for its balance between performance and safety. With a moderate displacement and efficient rig, it offers good speed even in medium winds, while maintaining a stability that inspires confidence. It's a docile boat, responsive, and agile enough for those looking to enjoy sportier sailing without sacrificing comfort.

The boat has had a single owner and has all the documentation in order and taxes paid.
