DESCRIPTION

The 2002 Easybay 38 is one of those boats that transcends fads and trends. Designed by the legendary Grand Banks shipyard, this model perfectly embodies the brand's philosophy: handcrafted quality, timeless design, and safe navigation, all wrapped in a sophisticated and distinguished aesthetic that continues to inspire admiration decades after its launch.

The Easybay 38's profile is instantly recognizable. Its rounded hull, clean deck, and characteristic semi-open wheelhouse reflect a classic nautical aesthetic, perfectly balanced with practical solutions designed for the experienced sailor.

The saloon is bright and comfortable, with a layout designed for extended stays on board. The functional and well-integrated galley allows for completely independent voyages. Forward, the main cabin offers a generous and welcoming space, complemented by a full bathroom with high-quality finishes.

It's not a boat designed for speed, but for smooth sailing. Each mile traveled reinforces the feeling of control, balance and pleasure at the helm, making it an ideal companion for owners who prioritize the sailing experience over pure speed.
