DESCRIPTION

The 2009 Sealine SC35 boasts a sporty aesthetic and flowing lines that exude dynamism even at rest. Its low, sleek profile is complemented by a large open cockpit and a cockpit with an electric sunroof that allows a seamless transition between open-air cruising and total shelter. The moderate V-shaped hull ensures stability and comfortable cruising even in choppy seas.

The interior layout has been carefully designed to optimize space and natural light. The spacious cabin features a U-shaped lounge convertible into a double bed, and a fully equipped galley to starboard, with high-quality countertops, a gas stove, a stainless steel sink, and an integrated refrigerator. Below deck are two cabins: the master cabin forward with a double bed, and the guest cabin aft with two single beds convertible into a double. The surprisingly generous interior headroom offers a feeling of spaciousness above average for its length.

This model is typically equipped with two 320-hp Cummins QDS 42 engines, providing a combined power of 640 hp. This allows it to reach cruising speeds of 22-25 knots and a top speed of over 30 knots. Ideal for both quick getaways and extended cruising.
