DESCRIPTION

The Bavaria Cruiser 51 boasts a modern silhouette with clean lines and a hull optimized for stability and speed in varying wind conditions. Its wide beam, maintained all the way to the stern, translates into a generous deck and a spectacularly spacious cockpit.

Its twin steering wheels are a standout feature, allowing for precise control and smooth movement to the fold-down swim platform, ideal for anchoring and socializing on board. Everything is designed to facilitate maneuvers, even with small crews, thanks to an intuitive and efficient winch and line layout.

Step through the hatch, the Bavaria Cruiser 51 reveals its true potential: a bright, elegant, and surprisingly spacious interior. The quality of the wood finishes, combined with large inlets of natural light, creates a warm and comfortable atmosphere.

On the water, the Bavaria Cruiser 51 proves that space is more than just a luxury. Its handling is refined and predictable, with excellent directional stability and agile response under sail. The fractional sloop rigging configuration allows for easy handling, while its motor ensures sufficient power in maneuvers or adverse conditions.
