DESCRIPTION

The V40 stands out for its aerodynamic profile and flowing lines, complemented by large side windows that flood the interior with natural light. Its main deck houses a spacious cockpit with a teak table and a fully equipped wet bar, ideal for social gatherings on the high seas. The electrically opening hardtop allows for sunbathing or sheltering depending on the weather conditions.

The V40's interior reflects the attention to detail and quality of finishes characteristic of Princess Yachts. The forward master cabin offers a double bed, ample storage space, and direct access to the bathroom. The aft guest cabin features two single beds convertible into a double bed, along with a sofa and wardrobe. The central saloon, naturally lit by large windows, includes a U-shaped sofa that converts into an additional bed, and a fully equipped galley with a quartz countertop, microwave, ceramic hob, and refrigerator.

Powered by twin Volvo Penta D6-370/DP engines, the V40 reaches top speeds of up to 38 knots, ensuring agile and exciting sailing. Its deep-V hull, designed by Olesinski, ensures stable and efficient sailing, even in adverse conditions.
