# DESCRIPTION

---

The Sundancer 320 stands out for its contemporary aesthetic that combines dynamism and functionality. With a length of nearly 10 meters and a beam of 3.23 meters, it offers an imposing presence in the harbor without being overwhelming for an owner seeking ease of handling.

Onboard the Sundancer 320, everything revolves around life on deck. Sea Ray has created a space that maximizes interaction among passengers through an open and meticulously designed layout.

The outdoor galley, equipped with a sink, refrigerator, and optional grill, allows you to prepare meals without leaving the main gathering area. This solution frees up interior space and reinforces the feeling of being permanently connected to the sea.

The bow area easily transforms from a dining area into a comfortable double berth, while the central cabin offers additional berths for guests. In total, the vessel can comfortably accommodate four people overnight.
