DESCRIPTION

The Highfield Sport 700, also known as the Highfield SP700, is a semi-rigid inflatable boat designed for those seeking a combination of sporty performance, comfort, and a remarkable capacity for enjoying the sea with family or friends.

One of the Highfield Sport 700's key selling points lies below the waterline. Its high-strength aluminum hull features a pronounced 26-degree V, a configuration designed to cut through waves smoothly and provide a stable, dry, and safe ride.

The center console offers a protected and ergonomic helm position, while the supportive seats and large aft bench create distinct social areas for comfortably sharing the water.

At the stern, the swim platform with a ladder facilitates easy access to the water, making the Highfield Sport 700 an excellent companion for snorkeling, swimming, or enjoying watersports. It also boasts ample storage space, including a large bow locker to keep the deck tidy.
